Cultural Capital and British Values

During this topic we aim to increase the children's Cultural Capital and develop their British Values by learning about the following:
Artist- Georgia O'Keefe
Fr Fretch Visit
Helping Hands
Falconry Centre Visit
Diwali and Remembrance Day

Understanding the World

Past and Present	The Natural World	People, Cultures and Communities
I know that natural objects have come from plants and animals. Animals and their habitats-making a bird feeder to help the animals during winter. Discuss what happens to shells/feathers. To learn about Remembrance Day and take part in a special prayer service.	I know the name of objects in my collection (shell, feather, stones, acorn, conker, leaf etc.) and I can describe the objects, including patterns I notice on them. Drawing their collection of natural objects I know I do not damage the living things that encounter in the natural environment. (Care of God's Creation) I know how to show care and I can encourage others to care for things they encounter in the natural environment. (Care of God's Creation) Learning about owl habitats, visit from the Owl Sanctuary.	Family-celebration discussion. Bonfire Night and birthday celebrations, firwork pictures. Christmas/Eid/Diwali. Making a Christmas Grotto Prayers-Learn to say our prayers and know that prayer time is a time to be quiet and calm. To begin to plan our prayer services Visit- Owl Sanctuary and Life Bus

Expressive Arts and Design

Creating with Materials	Being Imaginative and Expressive
Exploring with materials- Making firework pictures using glue and glitter. Artist- Georgia O'Keeffe-using oil pastels to create poppy artwork for Remembrance Day. Explore different materials freely, in order to develop their ideas about how to use them and what to make. Play instruments with increasing control to express their feelings and ideas. Create closed shapes with continuous lines, and begin to use these shapes to represent objects. Enjoy dancing and joining in with ring games	Poetry Basket -Leaves are Falling Instruments-Play instruments with increasing control. Begin music lessons. Learn how to tap in time to a beat, recognise syllables in words, using a variety of instruments, perform to friends and family. Christmas Play-singing songs and performing in Christmas Nativity
