Spring: Spring is one of the four seasons. It comes after Winter and before Summer. In Spring plants and flowers begin to grow and baby animals such as lambs and chicks are born.

- In Spring days are getting longer.
- In Spring weather is getting warmer.
- In Spring flowers grow faster and bloom.
- In Spring animals have babies.
- In Spring baby birds learn to sing.

Cultural Capital and British Values

During this topic we aim to increase the children's Cultural Capital and develop their British Values by learning about the following:

International Women's Day – 8th March

British Science Week- 7th March

International Day of Happiness – 20th March

World Water Day – 22nd March

World Health Day – 7th April
